CHEO patient Morgan Birtch

CHEO is a proud member of

*...support that makes a difference in so many ways!*

This beautiful face belongs to three-year-old Morgan Birtch. We met Morgan a few months ago in the medical day unit here at CHEO where she was receiving treatment as part of her 2.5 year cancer protocol. Morgan has leukemia and while her situation, and the fact that on this day she wouldn't smile for the camera might say otherwise, Morgan has reason for optimism.

You see, the type of cancer that Morgan is courageously battling is A.L.L., a form of leukemia that 50 years ago had an incredibly low survival rate. A staggering 10%. Today, thanks to research, scientists have been able to turn the tide in the fight against leukemia to where we now see an 80% survival rate in patients diagnosed with leukemia.

If little Morgan could grasp the magnitude of these statistics, we just might have seen a smile on her face that day in January. Right now, she just knows that she is sick and that her weekly visits to CHEO will make her better. Thanks to the amazing advances in cancer research and treatment, Morgan's doctors, and more importantly her parents, can tell Morgan with comforting honesty that she is winning her battle with this terrible disease.

The incredible advances in the treatment of leukemia are encouraging but unfortunately there are many other types of cancers and diseases that claim thousands of young lives each year. This is why CHEO's commitment to research is so vitally important as we hope to help more and more children win their battles in the future.

Funds raised by the CHEO Foundation go towards medical equipment, training hospital staff, making CHEO a more child and youth friendly environment and helping the 300 scientists and clinicians who work in the CHEO Research Institute dedicated to ensuring the best treatments are available to our children.

The incredible community support we receive each year speaks volumes about the concerns we have for the health of our children. The positive financial numbers in this annual report tell the tale of a community that backs these concerns with generosity and hard work on behalf of CHEO's kids. It is truly inspiring to everyone who works here in the Foundation and in the Hospital.

From Morgan and all patients and families who rely on CHEO, thank you from the Foundation Board of Directors, Foundation staff, and everyone at CHEO. With your ongoing support we can continue to make a difference in the lives of our children and youth in 2008 and beyond.

Frederick M. Bartlett  
President and CEO

of Directors

In 2007, more than 6,000 patients were admitted to CHEO, while 52,211 children and youth visited CHEO's Emergency Department, 158,375 children and youth visited outpatient or ambulatory care clinics and over 5,000 patients had outpatient/day surgery.

# The Children's Hospital of Eastern Ontario

CHEO was established in Ottawa, Canada's Capital, in 1974 as a freestanding paediatric hospital. Over the past three decades, CHEO has grown into one of the most respected children's hospitals anywhere. Offering a full and growing spectrum of clinical paediatric services to children and youth from birth to 18 years who live in eastern Ontario, western Quebec, Baffin Island and beyond, we also serve as a training ground for tomorrow's health care providers, and conduct research at the frontiers of paediatric medicine.

Patient care at CHEO puts family first. CHEO health care teams recognize the importance of keeping families involved and informed through open, honest and respectful communication. We likewise provide unparalleled support and services that families count on when they need it most. This family-centred approach to care consistently earns CHEO high marks for patient satisfaction – and is essential to positive patient outcomes.

In 2007, more than 6,000 patients were admitted to CHEO, while 52,211 children and youth visited CHEO's Emergency Department, 158,375 children and youth visited outpatient or ambulatory care clinics and over 5,000 patients had outpatient/day surgery.

CHEO houses 167 inpatient beds – 20 are in Neonatal Intensive Care, 10 in Paediatric Intensive Care, 31 are in Psychiatry and 106 in inpatient wards. CHEO has six patient service units, including 63 different outpatient or ambulatory care clinics.

Reaching beyond everyday excellence in patient care, CHEO is a widely regarded teaching hospital and research centre. We are the primary paediatric teaching hospital for the University of Ottawa in all disciplines related to child and adolescent health. As such, CHEO welcomes interns, residents and fellows in a number of specialties and sub-specialties on an ongoing basis.

Every day, hundreds of scientists, doctors, nurses and health care professionals at CHEO conduct research directed at improving the health of children and youth. Established in 1984, CHEO's Research Institute is one of the institutes associated with the University of Ottawa bringing together the work and expertise of more than 200 health professionals. Their work spans a wide range of critical areas of research from benchtop to bedside and is published internationally. CHEO's Research Institute houses the Apoptosis Research Centre – a state of the art centre dedicated to the investigation of apoptosis or programmed cell death.

CHEO is home to the Provincial Centre For Excellence in Child and Youth Mental Health and conducts genetic newborn screening for the province of Ontario. All of which are a testament to the skills and expertise of CHEO staff, physicians and researchers, and the hospital's commitment to enhancing the treatment and well-being of children and youth everywhere.

# The Children's Hospital Foundation

*Our mission:*

*"To further the physical, mental and social well-being of children and their families in eastern Ontario and western Quebec by raising, managing and disbursing funds."*

2007 was an exciting year at the Children's Hospital of Eastern Ontario and one of the highlights was the ground breaking for the Garry Cardiff Wing that is now under construction. CHEO's latest expansion project will house an expanded Emergency Department, a new state of the art Critical Care Unit, Medical Day Unit, clinic space for neurology and more.

With the new wing will come the need for more equipment, staff training and of course the important elements to make it child and youth friendly with movies, books, games and more which all require funding. We can look back and be encouraged at the success we had in 2007, feeling very fortunate that we live in such a kind and giving community.

The CHEO Foundation celebrated many successes last year as we continued to break records in many of our major fundraising events. People came out in droves and made the 2007 edition of Tour Nortel, our cycling and walking event, the best ever by raising \$682,000. For the second year in a row the Dream of a Lifetime Lottery sold out and the 2007 CHEO Telethon total hit the \$5.3 million mark. Once again the community came through for CHEO's kids by organizing over 200 fundraising events, and supporting our direct mail program and other initiatives.

We know that CHEO's strong community ties are a result of the love we all share for our children and youth. Their health and happiness is paramount and we are proud that people trust us to make sure that every dollar they donate is invested wisely with the goal of providing the finest paediatric health care for all of our children and youth.

Each year the hospital identifies major areas that require funding which traditionally fall into the following groups:

- Research start-up grants
- Equipment
- Staff education
- Family emergency needs
- Enhancements to the paediatric nature of CHEO

The Hospital and Foundation boards collaborate to distribute the funds where the needs are greatest.

The Foundation commits approximately \$900,000 per year to the CHEO Research Institute for distribution to researchers starting new projects.

The doctors, nurses and staff at CHEO are committed to making sure that each and every child and family receives the medical care and social support needed to overcome the challenge that brought them to the hospital.

Thankfully the CHEO Foundation has a wonderful circle of friends from all over eastern Ontario and western Quebec who are also committed to making a difference in the life of a child. It's a commitment that helps make CHEO a bigger and better hospital, and that bodes well for the children of today, and tomorrow.

Childhood cancer is something that strikes a cord with so many in our community. At the annual Tour Nortel event thousands of volunteers and participants prove that beating paediatric cancer is a priority. A record breaking \$682,000 was raised in 2007 so from the bottom of our hearts we thank you for your part in helping us support our kids and youth in their fight against cancer.

The Foundation commits approximately \$900,000 per year to the CHEO Research Institute for distribution to researchers starting new projects.

CHEO patient Haifa Houssari

## A. Donors' Rights

1. All donors are entitled to receive an official receipt for income tax purposes for the amount of the donation. Donors of non-monetary eligible gifts (or gifts-in-kind) are entitled to receive an official receipt that reflects the fair market value of the gift, according to Canada Revenue Agency guidelines. The Children's Hospital of Eastern Ontario Foundation ("Foundation") Board may establish a minimum amount for the automatic issuance of receipts, in which case smaller donations will be receipted only upon request.
2. All fundraising solicitations by or on behalf of the Foundation will disclose the Foundation's name and the purpose for which funds are requested. Printed solicitations (however transmitted) will also include its address or other contact information.
3. Donors and prospective donors are entitled to the following, promptly upon request:
  - the Foundation's most recent Annual Report and financial statements as approved by the Board;
  - the Foundation's registration number (BN) as assigned by Canada Revenue Agency;
  - any information contained in the public portion of the Foundation's most recent Charity Information Return (form T3010) as submitted to Canada Revenue Agency;
  - a list of the names of the members of the Board;
  - a copy of this Ethical Fundraising and Financial Accountability Code; and
  - a copy of the Foundation's "Donor Bill of Rights".
4. Donors and prospective donors are entitled to know, upon request, whether an individual soliciting funds on behalf of the Foundation is a volunteer, an employee, or a consultant.
5. Donors will be encouraged to seek independent advice if the Foundation has any reason to believe that a proposed gift might significantly affect the donor's financial position, taxable income, or relationship with other family members.
6. Donors' requests to remain anonymous will be respected.
7. The privacy of donors will be respected. Any donor records that are maintained by the Foundation will be kept confidential to the greatest extent possible. Donor records will be kept confidential unless consent to release the information is provided in writing by the donor or if the Foundation is required by law to release the information. All staff and related suppliers must sign Confidentiality Agreements. Donors have the right to see their own donor record, and to challenge its accuracy.
8. Under no circumstances will the Foundation exchange, rent, or otherwise share its fundraising list with other individuals or organizations.
9. Donors and prospective donors will be treated with respect. Every effort will be made to honour their requests to:
  - limit the frequency of solicitations;
  - not to be solicited by telephone or other technology; and
  - not receive printed material concerning the Foundation or CHEO.
10. The Foundation will respond promptly to a complaint from a donor or a prospective donor about any matter that is addressed in this Code. The President and Chief Executive Officer will attempt to satisfy the complainant's concerns in the first instance. A complainant who remains dissatisfied will be informed that he/she may appeal in writing to the Foundation Board and will be advised in writing of the disposition of the appeal.

## B. Fundraising Practices

1. Fundraising solicitations on behalf of the Foundation will:
  - be truthful;
  - accurately describe the Foundation and CHEO's activities and the intended use of donated funds; and,
  - respect the dignity and privacy of those who benefit from Hospital activities.
2. Volunteers, employees and consultants who solicit or receive funds on behalf of the Foundation shall:
  - adhere to the provisions of this Ethical Fundraising and Financial Accountability Code;
  - act with fairness, integrity, and in accordance with all applicable laws;
  - adhere to the provisions of applicable professional codes of ethics, standards of practice, etc.;
  - cease solicitation of a prospective donor who identifies the solicitation as harassment or undue pressure;
  - disclose immediately to the Foundation any actual or apparent conflict of interest; and
  - not accept donations for purposes that are inconsistent with the Foundation or CHEO's objects or mission.
3. Paid fundraisers, whether staff or consultants, will be compensated by a salary, retainer or fee, and will not be paid finders' fees, commissions or other payments based on either the number of gifts received or the value of funds raised. Compensation policies for fundraisers, including performance-based compensation practices (such as salary increases or bonuses) will be consistent with the Foundation's policies and practices that apply to non-fundraising personnel.
4. The Foundation Board will be informed at least annually of the number, type and disposition of complaints received from donors or prospective donors about matters that are addressed in this Ethical Fundraising and Financial Accountability Code.

## C. Financial Accountability

1. The Foundation's financial affairs will be conducted in a responsible manner, consistent with the ethical obligations of stewardship and the legal requirements of provincial and federal regulators.
2. All donations will be used to support the Foundation's objects, as registered with Canada Revenue Agency.
3. All restricted or designated donations will be used for the purposes for which they are given. If necessary, due to program or organizational changes, alternative uses will be discussed where possible with the donor or the donor's legal designate. If no agreement can be reached with the donor or his/her legal designate about alternative uses for a restricted or designated donation, the Foundation will return the unexpended portion of the donation. If the donor is deceased or legally incompetent, the donation will be used in a manner that is as consistent as possible with the donor's original intent.
4. Annual financial reports will:
  - be factual and accurate in all material respects;
  - disclose:
    - the total amount of fundraising revenues (receipted and non-receipted);
    - the total amount of fundraising expenses (including salaries and overhead costs);
    - the total amount of donations that are receipted for income tax purposes (excluding bequests, endowed donations that cannot be expended for at least 10 years, and gifts from other charities);
    - the total amount of expenditures on charitable activities (including gifts to other charities);
  - identify government grants and contributions separately from other donations; and
  - be prepared in accordance with generally accepted accounting principles and standards established by the Canadian Institute of Chartered Accountants, in all material respects.
5. No more will be spent on administration and fundraising than is required to ensure effective management and resource development. In any event, the Foundation will meet or exceed Canada Revenue Agency's requirement for expenditures on charitable activities.
6. The cost-effectiveness of the Foundation's fundraising program will be reviewed regularly by the Board.

*For the second year in a row the Dream of a Lifetime Lottery was a sell out! Not only are dreams coming true for our winners but it makes it possible to keep the dream of good health alive for the many kids and youth that rely on CHEO. \$2,579,405 was raised for CHEO and we thank everyone who supported the Dream of a Lifetime Lottery with sponsorship or by purchasing tickets. Our success means the children of our region are the biggest winners of all.*

Responsibility for Financial Statements

The accompanying financial statements of the Children's Hospital of Eastern Ontario Foundation are the responsibility of management. The financial statements have been prepared by management in accordance with Canadian generally accepted accounting principles. In 2007, CHEO Foundation is required to adopt the provisions of Section 3855 – Financial Instruments – of the accounting handbook issued by the Canadian Institute of Chartered Accountants. This will necessitate some changes in accounting treatment of investments and disclosure presentation in the Foundation's financial statements.

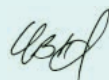

The Foundation maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable, accurate, and complete, in all material respects, and that the Foundation's assets are appropriately accounted for and adequately safeguarded.

The Board of Directors is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the financial statements. The Board carries out this responsibility principally through its Finance Committee, whose members are appointed by the Board.

The Finance Committee meets with management and the external auditors to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, and to satisfy itself that each party is properly discharging its responsibilities. The Finance Committee reports its findings to the Board for consideration when approving the financial statements for issuance to the members in the Annual Report.

The CHEO Telethon was alive with excitement when the grand total of **\$5,382,140** came up on the big screen! During the 24 hour telethon many families share their CHEO stories which are sometimes happy and sometimes heart wrenching and you repay them with tremendous support. Your donation tells our patients that you care and for that we are so grateful. It takes a village to raise a child and our Ottawa village is remarkable. Thank you.

*We can look back and be encouraged at the success we had in 2007, feeling very fortunate that we live in such a kind and giving community.*

## CHEO Foundation Donor Bill of Rights

To assure that our donors and prospective donors can have full confidence in the CHEO Foundation and the Children's Hospital of Eastern Ontario, we declare that all donors have the following rights:

1. To be informed of the CHEO Foundation's mission, of the way we intend to use donated resources, and of its capacity to use donations effectively for their intended purposes.
2. To be informed of the identity of the CHEO Foundation's governing board, and to expect the board to exercise prudent judgement in its stewardship responsibilities.
3. To have access to the CHEO Foundation's most recent financial statements.
4. To be assured their gifts will be used for the purposes for which they were given.
5. To receive appropriate acknowledgement and recognition.
6. To be assured that information about their donations is handled with respect and with confidentiality to the extent provided by law.
7. To expect that all relationships with individuals representing organizations of interest to the donor will be professional in nature.
8. To be informed whether those seeking donations are volunteers, employees of the CHEO Foundation, or hired solicitors.
9. To have the opportunity for their names to be deleted from mailing lists.
10. To feel free to ask questions when making a donation and to receive prompt, truthful and forthright answers.

National Society of Fund Raising Executives (NSFRE)

CHEO patient Vanessa Stanley

In November 2007, the following donor names were unveiled on the CHEO Foundation's Donor Board. These individuals, groups and corporations were recognized in the following categories for their cumulative gifts received by the end of December 2006:

Thank you Merci

- Millionbear Club - gifts of \$1,000,000 or more
- Platinum Circle - Gifts of \$500,000 to \$999,999
- Diamond Circle – Gifts of \$100,000 to \$499,999
- Gold Circle – Gifts of \$25,000 to \$99,999
- Silver Circle – Gifts of \$10,000 to \$24,999
- Bronze Circle – Gifts of \$2,500 to \$9,999

Lors du dévoilement de son Tableau des donateurs en novembre 2007, la Fondation du CHEO reconnaissait publiquement les noms des donateurs qui figurent ci-dessous. Ces personnes, groupes et entreprises ont été reconnus dans les catégories suivantes suite aux contributions cumulatives effectuées jusqu'à la fin décembre 2006 :

- Club de l'Ourson d'un million - dons de 1 000 000 \$ et plus
- Cercle de Platine – dons de 500 000 \$ à 999 999 \$
- Cercle de Diamant – dons de 100 000 \$ à 499 999 \$
- Cercle d'Or – dons de 25 000 \$ à 99 999 \$
- Cercle d'Argent – dons de 10 000 \$ à 24 999 \$
- Cercle de Bronze – dons de 2 500 \$ à 9 999 \$

*Faithful listeners of  
Y101 and 106.9  
The Bear make the  
three day radiothon at  
CHEO a huge success  
every year. Announcers  
connect with our CHEO  
patients and families and  
help them convey their  
CHEO experience across  
the airwaves. There is  
laughter and tears as we  
build up to the final totals.  
Y101 listeners donated  
\$182,351 and Bear  
listeners sent in their support  
of \$289,212. On behalf of  
all the patients and  
staff at CHEO, thank  
you for your outstanding  
response and for making  
CHEO a special place in  
your hearts.*

*Les fidèles auditeurs des  
stations radio Y101 et The  
Bear 106,9 contribuent  
directement au succès des  
radiothons organisés par le  
CHEO pendant trois jours à  
chaque année. Avec grande  
habileté, les annonceurs invitent  
les patients et leurs familles à  
partager, en ondes, leurs  
expériences vécues, touchant les  
auditeurs de près. Grâce à la  
grande générosité de tous,*

la station radio

7101 a amassé la somme de

182 351 \$ alors que la station

radio The Bear a amassé la

somme de 289 212 \$. Au nom

des patients et du personnel du

CHEO, merci de votre appui. Nous

savons que le CHEO occupe une

grande place dans vos cœurs!

CHEO patient, Finley O'Neill,  
patient au CHEO

## Thank you

Michelle Valberg generously donates her time and materials to create beautiful pictures of CHEO children for use in the Foundation's Annual Report and fundraising materials. For more information about Michelle's photography visit her web site: [www.valbergimaging.com](http://www.valbergimaging.com).

## Un gros merci

Michelle Valberg contribue généreusement talent et expertise en offrant de magnifiques photos d'enfants du CHEO utilisées par la Fondation dans son rapport annuel et à des fins publicitaires dans ses efforts de collectes de fonds. Pour tout renseignement concernant les services photographiques de Michelle Valberg, consultez son site Web au:

[www.valbergimaging.com](http://www.valbergimaging.com).
